

WHY LEASE?

Tax Benefits

- Lease payments may be 100% deductible.

Complete Financing

- Leasing permits 100% plus financing with no down payment (including soft costs, warranties, taxes, freight and installation).

Conserves Capital

- Leasing conserves valuable company working capital!

Greater Purchasing Power

- Leasing typically allows for larger purchases (higher loan amounts)

Conserves Bank Credit

- Leasing preserves bank credit lines.

Flexible Payment Plans

- Longer and more flexible terms are available compared to other financing (up to 60 months).

Fixed Rates

- Lease payments are fixed, not adjustable with floating interest rates.

Obsolescence Protection

- Leasing provides protection from equipment obsolescence. You keep facilities up to date.

BENEFITS OF LEASING WITH FIRST PACIFIC FUNDING

First Pacific Funding aims to make leasing

- ✓ Simple
- ✓ Fast
- ✓ Flexible

with same day credit decisions!

We make the leasing process simple. The first step would be for you to determine what equipment you would like to acquire from your vender.

After you have chosen your desired equipment, complete our one page lease application, then fax it to us on our toll-free 24-hour fax line.

First Pacific Funding will process your credit application for quick approval. Once approved, we will fax or email documents to you with a pre-paid overnight return envelope to promptly execute your order. It is that simple!
